## Insurance – Motorhomes

01 April 2009 – 31 March 2010  
Australia

---

The daily rental rate includes standard protection, where you leave a AU\$7500 bond. The AU\$7500 is debited from your credit card when the vehicle is collected and held as your excess.

For this reason it is important that your credit card has the funds available on the credit card and that the amount does not exceed your daily withdrawal allowance. Standard insurance is included in the rental rate.

This amount can be reduced by purchasing:

### **Excess Reduction Option 1**

2WD Motorhomes: AU\$22 per day (max. charge AU \$1100)

4WD Motorhomes: AU\$27 per day (max. charge AU \$1350)

The bond / excess is reduced to AU\$2,500. If paying by credit card the amount will be **debited** to the hirer's account immediately.

### **Excess Reduction Option 2**

2WD Motorhomes: AU\$40 per day (max. charge AU \$2000)

4WD Motorhomes: AU\$49 per day (max. charge AU \$2450)

2WD: The excess is reduced to Nil.

4WD: The excess is reduced to AU \$440.

A Vehicle Security Deposit of AU\$220 for 2WD and AU\$440 for 4WD is payable on pick-up. If paid by credit card, an **imprint** will be taken of the renter's card.

All debited bonds (plus any other credit card transactions) are subject to a 2% credit card administration fee for Visa and MasterCard transactions and 4.5% for American Express transactions in addition to the bond amount. This administration fee is refunded when the bond is refunded. If a bond is retained the administration fee is retained.

**No Worries Cover Option** - This option is a one off fee of AU\$50 per hire for 2WD Motorhomes and AU\$120 for 4WD Motorhomes. It is only available when Excess Reduction Option 2 has been purchased. The No Worries Cover Option extends the cover available with Excess Reduction Option 2 to include cover for accidental damage to the overhead and underbody sections of the Motorhome. Please note overhead and underbody damage cover is excluded unless the No Worries Cover Option has been purchased.
