
Insurance – Motorhomes

01 April 2009 – 31 March 2010
New Zealand

The daily rental rate includes standard protection, where you leave a NZ\$7500 bond. The NZ\$7500 is debited from your credit card when the vehicle is collected and held as your excess.

For this reason it is important that your credit card has the funds available and that the amount does not exceed your daily withdrawal allowance. Standard insurance is included in the rental rate.

This amount can be reduced by purchasing:

Excess Reduction Option 1

NZ\$22 per day (max. charge NZ \$1000). The bond/excess is reduced to NZ\$2,500. If paying by credit card the amount will be, **debited** to the hirer's account immediately.

Excess Reduction Option 2

NZ\$40 per day (max. charge NZ\$1,900). The excess is reduced to Nil.

A Vehicle Security Deposit of NZ\$220 is payable on pick-up. If paid by credit card, an **imprint** will be taken of the hirer's card.

No Worries Cover Option

This option is a one off fee of NZ\$50 per hire. It is only available when Excess Reduction Option 2 has been purchased. The No Worries Cover Option extends the cover available with Excess Reduction Option 2 to include cover for accidental damage to the overhead and underbody sections of the Motorhome. Please note overhead and underbody damage cover is excluded unless the No Worries Cover Option has been purchased.

Credit Cards

Accepted credit cards are Visa Card, Master Card and American Express. A non-refundable 2% administration fee will apply to all Visa and MasterCard transactions and 4.5% for all American Express Card transactions. Credit Card administration fees also apply to debited security bonds. In this instance the administration fee is refunded when the bond is refunded. If a bond is retained, then the administration fee is also retained.
