

## United 6 Premier Motorhome -Automatic Transmission

**Now there are no more arguments about who gets the best view! United's new generation 6 berth Premier Automatic motorhome allows everyone to be seated at the front of the vehicle.**

Built on a Mercedes Benz Sprinter or Volkswagen chassis, this new addition to our automatic fleet allows unobstructed walk through access from the driver's cab to the spacious rear living area. A shower and toilet, refrigerator with freezer, microwave, excellent kitchen facilities, LCD Screen and DVD player and a filtered water system are just some of the features.

Up to the minute with a modern look both inside and out coupled with curved cabinetry create a warm living environment. Sleeping arrangements feature a double bed above the driver's cab, with a large double bed in the rear and a double bed converted from the dinette. Everything you need for your New Zealand campervan holiday experience.

All vehicle specifications and facilities shown below are an indication only and are subject to change as models are introduced to the United fleet.
