

United 2 Premier Motorhome -Automatic Transmission

United's popular 2 berth Premier Automatic motorhome is the perfect small vehicle choice for two adults.

A newly designed interior, automatic transmission, internal access between the driver's cab and the rear living area, shower and toilet, refrigerator with freezer, microwave, excellent kitchen facilities and a filtered water system are just some of the features. A modern look and curved cabinetry combine to create a warm living environment. The sleeping area can be converted to one large double bed or two singles.

All vehicle specifications and facilities shown below are an indication only and are subject to change as models are introduced to the United fleet.
